The Connecticut Environmental Health Association would like to announce its *Annual Summer Meeting 2010!*

This year's educational session will be on the DEP's General Permit for the Discharge of Wastewater Associated with Food Preparation Establishments (FOG Permit.) Don't miss out on this informative training because the final compliance date of July 1, 2011 is fast approaching. At least one (1) credit towards Food Inspector recertification will be offered to those who register and attend the training class.

Also, consider bringing your favorite baked dessert for our 4th annual CEHA dessert contest!

Park fees for all *registered* attendees will be waived, however CEHA will be charging \$10 for members and \$20 for non-members. Our apologies for the fee but we have to pay DEP for use of the pavilion this year!

***FOR FREE PARKING:**
Don't forget to bring a copy of this
form to show the park attendant!

Complete your registration on CT Train today!
