The Connecticut Department of Public Health
Drinking Water Section Presents:

The Annual Technical Conference and Vendor Exposition

ATCAVE 2010

February 23rd, 2010

Crowne Plaza Hotel
100 Berlin Road
Cromwell, CT 06416
(Exit 21 on I-91)

The CT Department of Public Health Drinking Water Section (DWS) is presenting a full-day training program at ATCAVE 2010 on various topics of interest to local health officials. Local health officials may attend all sessions of interest including sessions for water system operators

Morning Session:

- ◆ *Important Legislative Updates*
- ◆ ***BACK BY POPULAR DEMAND:***
 - *The Basics of Well Drilling and Downhole Camera Inspections*
 - *Basics of Geothermal Wells*
- ◆ *The Importance of Communication Procedures between Local Health Officials and Water Utilities*

Afternoon Session:

- ◆ *The Basics of Groundwater Treatment*
- ◆ *Useful information on DWS website in regards to licensing food service establishments with on-site wells*
- ◆ *Updated Guidance Document for the Presence of Total Coliform and E.Coli Bacteria at Food Service Establishments*

Other Reasons to Attend:

- ◆ *Earn contact hours required for food inspector recertification*
- ◆ *An opportunity to learn about the newest water and well technologies from vendors at the exposition*
- ◆ *An opportunity to network with your peers and with DWS staff during lunch and breaks - refreshments will be provided*

Check the CT Section of the American Water Works Association website: <http://www.ctawwa.org> for class descriptions and a registration form. Questions can be directed to Vicky Carrier of the Drinking Water Section at vicky.carrier@ct.gov or by phone at (860) 509-7333.
