President, CEHA
Southington Health Department
93 Main Street
Southington, CT 06489

Dear Mr. Cook:

Thank you for your inquiry regarding a seat on the Governor's Council for Local Health Regionalization. As you are aware, the council has already submitted a report to the Governor with the recommendation that I reconvene the group to finish some time sensitive recommendations made in the report. The Council and I did discuss new members, and I feel the addition of you, as President of the Connecticut Environmental Health Association (CEHA) will be an asset to the Council.

I will forward your name to Karen Buckley-Bates, who has been facilitating the meetings for me. We will be suggesting a few other new members soon, and you will be invited to the next meeting. Thank you for your interest in local public health.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Robert Galvin".
