## Nomination for Elective Office

The Connecticut Environmental Health Association (CEHA) is accepting nominations for elective office for the 2023-24 election period.

**As of November 17, 2023 the position of Vice President has been vacant.**

**PLEASE consider becoming part of the Executive Board. We rely on the continued support of our membership to become an active part of the association. You will be able to participate in the monthly meetings from your office through the zoom platform.**

Nominations must be made by a CEHA member and nominees must be CEHA members in good standing. CEHA members may nominate themselves for elective office if they so desire. Candidates must discuss their nomination with their employer and get approval to ensure that they will be permitted to fulfill the duties and responsibilities of the Office (see pg. 2). Each nominee must submit a short biographical description along with an explanation of why they are interested in being elected to the office they seek and this information will be included with the Election Ballot. Prospective candidates are strongly encouraged to attend Executive Board meetings which are open to all members. They should review the by-laws and policies of the Association that are available on the CEHA website at [www.cteha.org](http://www.cteha.org) which provide an overview of the duties and responsibilities of each Officer of CEHA. **It is an honor and privilege to hold a CEHA elective office so please, get involved!**
